MEMBERSHIP APPLICATION

The Houston Cactus and Succulent Society (HCSS) was organized in 1963 to promote the study, propagation, and conservation of cacti and other succulents. Membership is open to anyone having an active interest in succulent plants.

Monthly membership meetings are held at the West Gray Multi-Purpose Center. The meetings for January through October are held the fourth Wednesday of each month; the November meeting is the third Wednesday. The meeting begins at 7:30 PM. Visitors are welcome free of charge.

The date and place for the December meeting to install new officers varies and is announced at the membership meeting and in the HCSS publications.

MEMBERSHIP: Please return a copy of this form, with your remittance, to: Houston Cactus and Succulent Society (or HCSS)
